Dear reader. I understand that paying for a Kindle book need not get too expensive. In printing an actual book, it is understandable with the wood, the paper, the cover, ink, shipping, stocking, and all that, a regular book is around \$14.00 bucks. On Kindle it should not be anything higher than the cost it takes to send it through the air to your device. Because of this, I put the price as low as I can, all for your benefit! I hope this helps you out in some way or other! :-) Every penny counts! - John McAdam
