Price Malachi: The First Of Many Shawn Lavette

In a novel of intense magnitude, Shawn LaVette brings you a tale only a truly artistic storyteller can deliver in Price Malachi. He introduces the world to the Malachi family and paints a portrait with words only an artist who has lived the life can paint within the figurative canvas found within the covers of this book. This story is gripping, humorous and entertaining with intertwined characters that catch one off guard reminding us that even though you can do big things in it, it is still a small world when the streets have their say in it. Be prepared for a tale you will never forget in Price Malachi.
