Shall We Dance: A Beginner's Guide to Ballroom Dancing Eric Zimmerer

This book is written for the absolute beginner, not by a dance champion, but by someone who knows what a beginning dancer feels like and wants to know. The basics of ballroom dance are covered in a logical, easy to absorb manner that a beginner can feel comfortable with and see immediate progress. All the most popular ballroom dances are covered with enough steps to enable a complete novice to dance, without overwhelming the new student with technical jargon and ballroom snobbery.
