Learn PowerShell Toolmaking in a Month of Lunches Don Jones, Jeffery Hicks

Summary

Packed with hands-on labs to reinforce what you're learning, *Learn PowerShell Toolmaking in a Month of Lunches* is the best way to learn PowerShell scripting and toolmaking. Just set aside one hour a day—lunchtime would be perfect—for each self-contained lesson. You'll move quickly through core scripting concepts and start working on four real-world, practical tools. Each chapter adds more functionality, including custom formatting, error handling, parameterized input, input validation, help files and documentation, and more.

About this Book

You don't have to be a software developer to build PowerShell tools. With this book, a PowerShell user is a step away from becoming a proficient toolmaker. *Learn PowerShell Toolmaking in a Month of Lunches* is the best way to learn PowerShell scripting and toolmaking in just one hour a day. It's packed with hands-on labs to reinforce what you're learning. It's an easy-to-follow guide that covers core scripting concepts using four practical examples. Each chapter builds on the previous one as you add custom formatting, error handling, input validation, help files, and more.

Purchase of the print book comes with an offer of a free PDF, ePub, and Kindle eBook from Manning. Also available is all code from the book.

What's Inside

- Build your own administrative tools
- Learn by doing with hands-on labs
- Make scripts that feel like native PowerShell cmdlets

This book does not assume you are a programmer. Experience using PowerShell as a command-line interface is helpful but not required.

About the Authors

Don Jones is a PowerShell MVP, speaker, and trainer. **Jeffery Hicks** is a PowerShell MVP and an independent consultant, trainer, and author. Don and Jeff coauthored *Learn Windows PowerShell 3 in a Month of Lunches, Second Edition* (Manning 2012) and *PowerShell in Depth* (Manning 2013).

From reader reviews:

Thomas Fleischmann:

Book is to be different for each and every grade. Book for children right up until adult are different content. As it is known to us that book is very important for us. The book Learn PowerShell Toolmaking in a Month of Lunches seemed to be making you to know about other expertise and of course you can take more information. It is rather advantages for you. The reserve Learn PowerShell Toolmaking in a Month of Lunches is not only giving you much more new information but also to be your friend when you sense bored. You can spend your own personal spend time to read your book. Try to make relationship with all the book Learn PowerShell Toolmaking in a Month of Lunches. You never feel lose out for everything in case you read some books.

Christopher Jones:

The reason? Because this Learn PowerShell Toolmaking in a Month of Lunches is an unordinary book that the inside of the guide waiting for you to snap the idea but latter it will zap you with the secret it inside. Reading this book next to it was fantastic author who all write the book in such incredible way makes the content inside of easier to understand, entertaining method but still convey the meaning entirely. So , it is good for you for not hesitating having this nowadays or you going to regret it. This unique book will give you a lot of gains than the other book get such as help improving your ability and your critical thinking method. So , still want to hold up having that book? If I had been you I will go to the book store hurriedly.

Kevin Roark:

Your reading sixth sense will not betray an individual, why because this Learn PowerShell Toolmaking in a Month of Lunches book written by well-known writer whose to say well how to make book that can be understand by anyone who else read the book. Written within good manner for you, still dripping wet every ideas and writing skill only for eliminate your current hunger then you still doubt Learn PowerShell Toolmaking in a Month of Lunches as good book not only by the cover but also through the content. This is one book that can break don't determine book by its handle, so do you still needing yet another sixth sense to pick this!? Oh come on your looking at sixth sense already alerted you so why you have to listening to another sixth sense.

Shirley Henderson:

As a university student exactly feel bored to be able to reading. If their teacher requested them to go to the library or to make summary for some guide, they are complained. Just little students that has reading's soul or real their passion. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that looking at is not important, boring and can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways

to reach Chinese's country. Therefore , this Learn PowerShell Toolmaking in a Month of Lunches can make you feel more interested to read.
