The Babysitter's First Time Anna Fire

## I could show her a thing or two she'd remember for ages...

It's naïve, hardworking Naomi's winter break after her first semester of college and she's stuck back at home in her small town in Connecticut. Little does she know this winter break is going to be **more instructive** than she could ever imagine.

To keep busy during the break, she picks up a babysitting gig for a past employer, Nathan Bradford, a gorgeous corporate lawyer, who's **recently single** and **increasingly restless**. From the moment they touch, Naomi can't stop thinking about him – and he can't stop thinking about her.

Later that night, Naomi's desire makes her hands wander for a bit of **self-exploration** – until she gets caught. To her surprise, Nathan **can't take his eyes off of her** and wants so much more than she knew she could handle.
