“It is Katun 13 Ahau according to the count. The katun is established at Kinchil Coba, the thirteenth katun. The bouquet of the rulers of the world shall be displayed. There is the universal judgment of our Lord God. Blood shall descend from the tree and stone. Heaven and earth shall burn.”

The date in our calendar is December 21, 2012. According to the Mayan holy book Chilam Balam, this is the day of the “tying up the bundle”, when a new cycle will begin. What will it bring? Anyone who reads this book can only look forward to the day with fear – and hope. Many people have heard second-hand accounts and rumors of what the Mayan prophecies say, but few have read the prophecies themselves. Those who do will find many secrets about the future still to be unlocked. Read it for yourself, before it’s too late.

This is the only modern e-book edition of the text of this profound holy book. The Chilam Balam provides the definitive collection of prophecies from North America’s greatest civilization, including the Mayan vision of the end time. Lexicos Publishing is proud to present this important work, meticulously edited, illustrated, and formatted for Kindle.
