The PMS Club Carolyn Brown

Dixie Nelson arrived in Florida with a mad spell sitting on her shoulders. Her two friends Faith and Jill could flirt with the tanned and gorgeous men on the beaches all they wanted. She wasn't going to do anything but try to get over her anger and enjoy a perfect summer... one with no men allowed in her heart. Not even the good looking T-shirt painter who employed her right after he accused her of shop lifting.

Boone Callahan spent all his summers in Florida, painting and selling T-shirts to the tourists. How was he supposed to know the woman running out of his shop with three tee shirts tucked under her arm wasn't trying to steal them? Or that when he hired her as part-time help she would wind up stealing his heart?

Dixie and her friends, all school teachers from Arkansas, have endured wars and rumors of wars, true PMS, men problems, school problems, and shared the joys and sorrows of life for five years. Nothing could possibly destroy their friendship. But during the wonderfully hot summer, the very roots of the Sisterhood are shaken. Will it survive? Can Dixie and Boone find a future together? Is "happily ever after" a myth or does it really happen?
