Business Kanji is for students of Japanese with a special interest in business, finance, and economics. Appropriate for self-study or classroom use, it teaches more than 1,700 kanji frequently used in Japanese business and economic newspapers and magazines. Written in both Japanese and English, this book is designed for students with a basic level of Japanese Languageuage skill and provides lessons on Japanese grammar as well as reading exercises. Students who complete the text will be able to learn enough kanji to read and digest even the most arcane or technical business articles. The book's extensive indexes make looking up kanji faster and easier.
