Wedding bells are in the air, but single mom Gwynneth Jacobs and Hollywood mega star Gareth Connor are finding that the road to matrimony is anything but smooth. Each thinks they're doing what's best for the other, but with everything from the paparazzi to an overzealous wedding planner getting in their way, they may have lost touch with what exactly that is. With Gwyn developing decidedly cold feet over the whole event, can they reconnect with what's truly important in time for their upcoming nuptials? Or will they have to face the possibility their lives may just be too different after all?
