I Believe In You Sandy Powers

Author, Sandy Powers has written a book to her great, great, great grandchild. Knowing she will never meet this child Sandy wrote, *I Believe In You: Discovering the Inside Passage to Happiness* in hopes that her own story would inspire her descendent to heal. Sandy believes there is nothing to judge or fix in our lives only experiences to love and embrace. When we love even the tough parts of our journey those experiences are set free to become steppingstones to happiness. In over 60 short intimate essays with titles like *Obstacles, Entering the Past, Change, Questioning God*, first time author Sandy Powers gets raw and real. Believing the main road to happiness is to know thy self Sandy embraces her weaknesses turning them into steppingstones to happiness. Her vow to move beyond what stops her from being the best she can be models the essence of courage and risk. At the end of the book is a letter written to her great, great, great grandchild. Here is a quote from that letter. "You needed me and I'm here. I'm here to let you know I made it out of my brokenness and found happiness. It is my intention to serve you. You, my dear one, deserve to be happy. I believe in you. You may not be able to touch me in the flesh, but you've already touched me in my heart. We are connected beyond comprehension. We are one. I will love you forevermore, Your Devoted Grandmother"
