The Partnership: A Novel Steven J. Harper

Debut novel from the author of the true-crime award winner "Crossing Hoffa: A Teamster's Story" "The Partnership" opens a window into a secret world. A mysterious death, illicit romantic liaisons, courtroom drama, and crises of personal conscience frame a titanic struggle at the nation's most lucrative law firm. A twenty-first-century legal thriller with a twist, "The Partnership" reveals what happens to rich and powerful insiders as the business school mentality extends its tentacles across a once-noble profession. The themes resonate; "The Bonfire of the Vanities" still burns.

Albert Knight has reached the pinnacle of power as one of the "magnificent seven"-leaders of the international legal powerhouse Michelman & Samson. Only one step remains: Knight and his archenemy Ronald Ratkin are front-runners to replace the Executive Committee's retiring chairman. Knight and Ratkin were once best friends, but that was long ago.

Despite their twenty-year animosity, each has embraced the firm's transformation to a bottom-line business and the stunning wealth it produces. As the price of success, they endure and inflict profound personal damage along the way. When gifted trial lawyer Ronald Ratkin's \$100 million client defies protocol by interrupting the sacrosanct Executive Committee meeting, all seven attorneys are suspicious. The news, Ratkin suspects, could upset his ongoing billion-dollar trial, send stocks plummeting, and destroy his client, his law firm, and his personal wealth. But the wily Ratkin has a foolproof plan. Or will his own greed and that of his fellow partners undo him?
