"If you're a fan of the New Adult genre, then this book is a must read." - Dirty Girl Romance

"I laughed. I cried. I fell in love with Jon and Ivy." - Avery Aster, NYT Bestselling author

A girl with a past she can't remember. A guy with a past he can't forget.

Ivy McAllister had it all. Perfect boyfriend. Perfect life. Perfect future. Or so they tell her. Because one night, on a dark country road, a fiery crash changed everything...and Ivy can't remember what happened.

Now, two years later, at a new college far from home, she tries to regain control of her life, but her plans don't include a tattooed, motorcycle-riding, indie music-obsessed guy with his own sorority girl fan club.

Jon Priestly is the hottest guy at Pacific State University. Just ask his groupies. But with a dark past he must keep hidden, he shuts himself off emotionally and trusts no one. That is...until he meets a broken girl with haunting green eyes and secrets of her own.

Ivy shouldn't be attracted to Jon. They're wrong for each other in every possible way. Yet as they spend time together, something about him--everything about him--feels so right. But when threats from her past make her question what little she does remember, Ivy must decide whether to run again or trust the one person she can't live without.

*** Due to mature situations, strong language and drug references, this is not intended for readers under 18. ***

*** Standalone novel. No cliffhanger. ***
