A favorite children's song ("Ten on the Bed") gets a delightfully slippery, slide-y twist! In the land of the midnight sun, all the animals are having fun speeding down the hill on Caribou's sled. But as they go faster and faster, Seal, Hare, Walrus, and the others all fall off . . . until just the caribou's left, only and lonely. Now, a reindeer likes flying-but never alone, so . . . all the animals leap onto the sled again! This beloved story is new in board and abridged for a preschool audience, and it's ideal for reading, counting, and singing along with, over and over.
