Ottavia Wilkinson likes life plain, simple and uncomplicated. Unfortunately that's led to a very predictable life. So when she starts to make changes to switch things up a little, she's startled to find that she's caught the eye of a local bad boy. Yet, with Christmas around the corner, her inner vixen convinces her to offer Julian Ryder a gift he can't say no to...

Julian has always been attracted to Ottavia. To him she's the epitome of everything a woman should be, but he knows she's the sort that will never go for his type. But no one is more surprised than he when Ottavia starts to transform into a woman that is pure temptation. It makes it difficult for him to hide his feelings, but no way is he going to approach her. However, when she presents him with a Christmas gift beyond his wildest dreams all bets are off.
