Otto A. Rothert

The Outlaws of Cave-In-Rock; Historical Accounts of the Famous Highwaymen and River Pirates Who Operated in Pioneer Days upon the Ohio and Mississippi Rivers and over the old Natchez Trace
Otto A. Rothert

Exceptionally rare and valued by book collectors, Otto A. Rothert's riveting saga of the outlaws and scoundrels of Cave-in-Rock chronicles the adventures of an audacious cast of river pirates and highwaymen who operated in and around the famous Ohio River cavern from 1795 through 1820 (adventures featured in Disney's Davy Crockett and the film How the West Was Won). Once sporting the enticing sign "Liquor Vault and House for Entertainment," this beautiful cavern location decoyed the unsuspecting by offering a venue for food, drink, and rest. Compellingly lively, *The Outlaws of Cave-in-Rock* is nonetheless the work of a scholar, a historian who documents his findings and leaves a detailed bibliographical trail. Presenting many eyewitness accounts, Rothert supplies the lore and legend of the colorful villains of Cave-in-Rock. Always maintaining the difference between stories he tells with historical authority and those that are pure speculation, Rothert provides both a fascinating narrative and a valuable regional history.
