## **We Belong Together (Allanville's Matchermakers) (Volume 5) W Parks Brigham**

Shelly Roberts and Joffrey Matheson have watched friends fall in love and take that giant step—marriage—promising to share their lives together. Now it's their turn. They've been paired as the perfect couple, according to Allanville's Matchmakers Committee. Yes, their friendship has developed and grown. Yes, they are compatible, enjoy each other's company, and want the same things out of life. Most importantly, they're both seeking a meaningful relationship. Family and friends are excited as they cheer them on. Everyone is anticipating and waiting for the big news. Humph, that's a joke! Instead, they keep getting sickening, whining excuses; there are no sparks...no chemistry...we're just friends...you know, a yummy peanut butter sandwich but with syrup instead of jelly. The million-dollar question, how can you develop a serious relationship when you're still carrying a torch for someone from your past? Where they do that at? In the small town called Allanville?
