## **Contradiction and Conflict: The Popular Church in Nicaragua** Debra Sabia

Sabia examines the complex interaction of religious belief and political inspiration among internal divisions of Nicaragua's popular church.

Contradiction and Conflict explores the rich history, ideology, and development of the popular church in Nicaragua. From careful assessments within the context of Nicaragua's revolutionary period (1970s-1990), this book explains the historical conditions that worked to unify members of the Christian faith and the subsequent factors that fragmented the Christian community into at least four identifiable groups with religious and political differences, contradictions, and conflicts.

Debra Sabia describes and analyzes the rise, growth, and fragmentation of the popular church and assesses the effect of the Christian base communities on religion, politics, and the nation's social revolutionary experiment.
