Marys Power: Embracing the Divine Feminine as the Age of Invasion & Empire ends

Ruth L. Miller

Marys Power: Embracing the Divine Feminine as the Age of Invasion & Empire ends Ruth L. Miller

Our histories focus almost entirely on a relatively small group of men making big decisions in big buildings in cities, but most folks living at any given time were unaffected by their maneuverings. This book looks at the other half of the story, explaining how history and religion came to focus on those men, how that tendency affects our lives now, and what new ways of being are emerging. The key to understanding whats happening today rests with Mary the mother of Jesus, the Magdalene, and their predecessors.
