## The Great Political Theories, Vol. 2

The philosophy of politics

This carefully selected compilation of the significant writings of the great political philosophers, scientists, and thinkers will be an invaluable guide to the general reader as well as to the serious student of history, political science, and government. Such essential forces as Revolution, Romanticism, Marxism, Anarchy, Utilitarianism, Theology, Idealism, and Nationalism are examined in detail and expounded by their leading exponents. Professor Curtis has written running commentary that places the extracts and their authors in the sequence of modern history.

And newly added for this edition are studies of selected works by, John Stuart Mill, Alexander Herzen, Antonio Gramsci, Sebastian de Grazia, and John Rawls. Also new are a table of contents and an updated, comprehensive bibliography -- each clear and concise for easy reference.

Together with the first volume, also available in a Discus edition, which covers political thought from Plato and Aristotle to Locke and Montesquieu, *The Great Political Theories* offers an unparalleled view of political thought in Western civilization.
