## **The Private War of Sidney Reilly: A Tale of Revolutionary Russia** Allan Torrey

Masterspy / Spy Masters The Sidney Reilly of Private War is not the spy of MI6 legend or of the popular Reilly TV series. He is not the mythical Reilly, promoted as the real-life prototype of Ian Fleming's fictional James Bond, the spy who never made a mistake. Private War reveals an authentic Reilly whose Achilles' heel enables two brilliant spy masters to gain unheard-of behind-the-scenes political power. Private War exposes how they kept this amazing feat hidden for nearly ninety years. In 1917 the British Prime Minister sends masterspy Sidney Reilly to Moscow to stop the Bolshevik Lenin from seizing power over Russia. Reilly fails. But after returning to London he investigates his failure and gradually discovers that he has been betrayed. And more: his investigation leads to a shocking conclusion that sends him back to Moscow on one final, ultra-high-stakes mission. He never returns, thus entombing the spy masters' secret forever. Immediately thereafter the British Government issues its own cover story, announcing that Reilly was a double agent who betrayed Britain. The Soviets, too, publicize their version of the Reilly legend: he was a murderous British adventurer and provocateur bent on seizing the Revolution for himself. Private War is the first account of what really happened. Read what two experts have said about Private War: Dr. Lev Bezymensky, Soviet journalist and chief KGB propagandist who promulgated the Soviet version of Reilly's story, said: "Torrey's novel is unconditionally a remarkable piece. There are versions of Reilly's story by "court historians," but Torrey's version is far closer to the truth ... I am inclined to recommend publishing this book in Russian." Robin Bruce Lockhart, author of Reilly: Ace of Spies, said, "I am excited that Allan Torrey's fascinating, well-researched historical novel is to be published ... it may well be true ... it merits the attention of film-makers."
