Black Holes

Heather Couper, Nigel Henbest

Black Holes Heather Couper, Nigel Henbest

Black holes are the most mysterious and misunderstood elements in the universe. Although no one has ever seen a black hole, *Black Holes* explains and depicts these mystifying objects. A recurring topic in the news, *Black Holes* offers the most recent information on this topic--complete with vivid reconstructions and illustrations of what it would be like to travel in a black hole. Full color.
