**Cold Moon (The Huntress/FBI Thrillers Book 3)** Alexandra Sokoloff

The hunt for mass murderer Cara Lindstrom is over. FBI Special Agent Matthew Roarke has been working for this moment: the capture of a killer who savagely hunts the worst of humanity. But Roarke remains traumatized by his own near-death at the hands of the serial killer who slaughtered Cara's family...and haunted by the enigmatic woman who saved his life.

Then the sixteen-year-old prostitute who witnessed Cara's most recent murder goes missing, and suddenly pimps are turning up dead on the streets of San Francisco, killed with an MO eerily similar to Cara's handiwork.

Is a new killer on the loose with a mission even more deadly than hers? In the pulse-pounding third Huntress/FBI Thrillers book, Roarke will have to go on the hunt...and every woman he meets, even those closest to him, may prove deadly.
