Head to Toe: My Body and How It Works OKIDO

Original, imaginative, and boisterous: a look at the body inside and out for young children.

Here is a new take on the body book for young children, and it's all about asking and answering questions: "Why is your blood red?" "How much does your hair grow?" A little girl named Koko asks questions that guide three intrepid explorers through the human body as they explore the many and varied functions that make it work.

Organized into twenty sections, this engaging book addresses a multitude of topics, from "Eating and Staying Healthy" to "My Skin" to "Babies." A colorful combination of photographs and contemporary illustrations brings the text to life. The book also features a variety of things to do on and off the page, including games, recipes, and craft activities.

100 color photos and pictures

From reader reviews:

Linda Callaway:

Information is provisions for those to get better life, information today can get by anyone from everywhere. The information can be a information or any news even a concern. What people must be consider when those information which is in the former life are challenging to be find than now's taking seriously which one would work to believe or which one the resource are convinced. If you have the unstable resource then you have it as your main information there will be huge disadvantage for you. All of those possibilities will not happen with you if you take Head to Toe: My Body and How It Works as your daily resource information.

Irvin Ehlers:

Spent a free time for you to be fun activity to complete! A lot of people spent their leisure time with their family, or all their friends. Usually they undertaking activity like watching television, going to beach, or picnic inside park. They actually doing ditto every week. Do you feel it? Do you need to something different to fill your free time/ holiday? May be reading a book is usually option to fill your cost-free time/ holiday. The first thing that you'll ask may be what kinds of guide that you should read. If you want to consider look for book, may be the reserve untitled Head to Toe: My Body and How It Works can be excellent book to read. May be it is usually best activity to you.

Patricia Ramirez:

Exactly why? Because this Head to Toe: My Body and How It Works is an unordinary book that the inside of the guide waiting for you to snap the item but latter it will distress you with the secret this inside. Reading this book adjacent to it was fantastic author who write the book in such wonderful way makes the content inside easier to understand, entertaining means but still convey the meaning totally. So , it is good for you because of not hesitating having this any longer or you going to regret it. This book will give you a lot of gains than the other book have got such as help improving your ability and your critical thinking technique. So , still want to postpone having that book? If I had been you I will go to the book store hurriedly.

Carmen Dana:

Do you really one of the book lovers? If yes, do you ever feeling doubt if you are in the book store? Attempt to pick one book that you find out the inside because don't judge book by its handle may doesn't work at this point is difficult job because you are afraid that the inside maybe not since fantastic as in the outside seem likes. Maybe you answer is usually Head to Toe: My Body and How It Works why because the great cover that make you consider with regards to the content will not disappoint you. The inside or content is definitely fantastic as the outside or perhaps cover. Your reading sixth sense will directly assist you to pick up this book.
