Danielle Steel

Safe Harbour Danielle Steel

In her fifty-ninth bestselling novel, Danielle Steel tells an unforgettable story of survival...of how two people who lost everything find hope...and of the extraordinary acts of faith and courage that bring —and keep— families together...

On a windswept summer day, as the fog rolls across the San Francisco coastline, a solitary figure walks down the beach, a dog at her side. At eleven, Pip Mackenzie's young life has already been touched by tragedy; nine months before, a terrible accident plunged her mother into inconsolable grief. But on this chilly July afternoon, Pip meets someone who fills her sad gray world with color and light. And in her innocence and in his kindness, a spark will be kindled, lives will be changed, and a journey of hope will begin.

From the moment the curly-haired girl walks up to his easel on the sand, Matt Bowles senses something magical about her. Pip reminds him of his own daughter at that age, before a bitter divorce tore his family apart and swept his children halfway across the world. With her own mother, Ophélie, retreating deeper into her grief, Pip spends her summer at the shore the way lonely children do: watching the glittering waters and rushing clouds, daydreaming and remembering how things used to be. That is, until she meets artist Matt Bowles, who offers to teach the girl to draw—and can't help but notice her beautiful, lonely mother. At first, Ophélie is thrown off balance by her daughter's new companion—until she realizes how much joy he is bringing into their lives, despite the sadness she sees in his eyes. As their newfound friend works his subtle magic, mother and daughter slowly begin to heal, to laugh again, to rediscover what they have lost.

When summer ends, and Ophélie and Pip must leave the beach for the city, the season of healing continues. Gathering her newfound strength, Ophélie begins a volunteer job at a city outreach program, where she works with the homeless, and can no longer ignore the blessings in her own life. But as soul-sharing phone calls and autumn beach getaways deepen Ophélie and Matt's friendship, fate strikes another blow. Out of the blue, Matt must confront unfinished business from his past. Days later, Ophélie is struck by a stunning betrayal by someone she trusts. And as these events reverberate in two already wounded hearts, something extraordinary happens. Out of the darkness that has shadowed them both comes an unexpected gift of hope.

With grace and compassion, Danielle Steel explores the fragile bonds between mothers and daughters, husbands and wives, family members and lifelong friends. Her haunting, impassioned novel takes us across the complex landscape of loss—to the blessings that arise from even the darkest tragedies. At once a story of triumph and a moving elegy to those who suffer and survive, *Safe Harbour* is perhaps her most powerful and life-affirming novel to date.

From reader reviews:

Ruby Pritchett:

Information is provisions for anyone to get better life, information nowadays can get by anyone in everywhere. The information can be a understanding or any news even a concern. What people must be consider whenever those information which is from the former life are challenging be find than now could be taking seriously which one works to believe or which one typically the resource are convinced. If you find the unstable resource then you get it as your main information you will have huge disadvantage for you. All those possibilities will not happen in you if you take Safe Harbour as your daily resource information.

Gale Taylor:

Reading a e-book tends to be new life style in this particular era globalization. With reading through you can get a lot of information that could give you benefit in your life. With book everyone in this world may share their idea. Guides can also inspire a lot of people. Plenty of author can inspire their very own reader with their story as well as their experience. Not only situation that share in the books. But also they write about the ability about something that you need instance. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors on this planet always try to improve their talent in writing, they also doing some study before they write to the book. One of them is this Safe Harbour.

Christi Shoup:

Spent a free time and energy to be fun activity to perform! A lot of people spent their down time with their family, or their particular friends. Usually they performing activity like watching television, gonna beach, or picnic from the park. They actually doing ditto every week. Do you feel it? Do you need to something different to fill your personal free time/ holiday? May be reading a book might be option to fill your free time/ holiday. The first thing you will ask may be what kinds of publication that you should read. If you want to try look for book, may be the e-book untitled Safe Harbour can be great book to read. May be it could be best activity to you.

Michelle Favors:

That e-book can make you to feel relax. This kind of book Safe Harbour was multi-colored and of course has pictures around. As we know that book Safe Harbour has many kinds or type. Start from kids until youngsters. For example Naruto or Investigator Conan you can read and feel that you are the character on there. So , not at all of book usually are make you bored, any it offers you feel happy, fun and loosen up. Try to choose the best book for you and try to like reading that.
