**A World of Art (6th Edition)** Henry M. Sayre

**Why A World of Art?** Henry Sayre wrote the first edition of *World of Art* because he wanted to use a text in his own art appreciation course that truly represented all artists, not just the Western canon found at that time in the other texts. He also wanted a text that fostered critical thinking through looking at, talking about, and questioning works of art for his students. We are proud to present the new sixth edition of *World of Art*, which further strengthens these two key aspects of the text while presenting hot topics like video and time-based media.
