## **Be Careful What You Wish For. It Just May Be Given To You.**

Get ready to experience the first in a mysterious and exciting children's coming of age fantasy book series!

Many nights in the Greenwood Orphanage, visions of the loving parents flood the dreams of 15-year-old Graham. But these same dreams quickly dissolve into haunting nightmares. Just when Graham thinks he will escape the darkness of his mind, he wakes up only to find that the supernatural elements he imagined have manifested in real life.

In an effort to control his unexplainable power and protect those around him, Graham goes in search for the one man who may hold the answers he needs. That is until he wakes up and finds himself bound, with his head shrouded in a black hood. He wishes he could just go back, but it's too late. Nightmares seem the least of his worries now as ropes cut deeply into his wrists.

What is this group called Aegis? Why do they seem to have similar supernatural powers as him? And what do they want with him? With Graham's power becoming more unpredictable with each turn of events, he questions whether knowing the truth is worth risking everything—even his own life.

Aegis is a Children's Superhero Action & Adventure Series, but is also perfect for readers of Teen & Young Adult Paranormal & Urban Fantasy ebooks and Teen & Young Adult Boys & Men Fiction as well.
