**Hidden (Dragonlands Book 1)** Megg Jensen

**The first novel in a USA Today bestselling series from Megg Jensen!**

**Control the dragons. Rule the realm.**

The mystery enshrouding Hutton's Bridge is as impenetrable as the fog that descended at its borders eighty years ago. Each year, three villagers enter the mist searching for answers. No one ever returns.

Then a dragon falls from the sky to the town square, dead—the first glimpse of an outside world that has become nothing more than a fairy tale to Hutton's Bridge. Except to Tressa.

Tressa grew up with Granna's stories of the days before the fog fell. When Granna dies, leaving Tressa without any family, Tressa ventures into the fog herself, vowing to unravel the foul magic holding Hutton's Bridge captive.

What she discovers beyond the fog endangers the lives of everyone she loves.

Dragonlands:

Hidden, #1

Hunted, #2

Retribution, #3

Desolation, #4

Reckoning, #5

### From reader reviews:

#### **Kevin Buckley:**

Book is usually written, printed, or outlined for everything. You can realize everything you want by a e-book. Book has a different type. As it is known to us that book is important point to bring us around the world. Close to that you can your reading proficiency was fluently. A book Hidden (Dragonlands Book 1) will make you to become smarter. You can feel more confidence if you can know about anything. But some of you think that will open or reading a book make you bored. It is not necessarily make you fun. Why they are often thought like that? Have you searching for best book or suitable book with you?

#### **Jose Longoria:**

What do you ponder on book? It is just for students since they're still students or the idea for all people in the world, the particular best subject for that? Just you can be answered for that query above. Every person has various personality and hobby per other. Don't to be compelled someone or something that they don't would like do that. You must know how great along with important the book Hidden (Dragonlands Book 1). All type of book could you see on many sources. You can look for the internet solutions or other social media.

#### **Sheila Davis:**

Information is provisions for individuals to get better life, information presently can get by anyone on everywhere. The information can be a understanding or any news even restricted. What people must be consider while those information which is from the former life are challenging to be find than now could be taking seriously which one is acceptable to believe or which one the resource are convinced. If you find the unstable resource then you have it as your main information you will see huge disadvantage for you. All those possibilities will not happen with you if you take Hidden (Dragonlands Book 1) as the daily resource information.

#### **Eric Rodriguez:**

As a scholar exactly feel bored to help reading. If their teacher questioned them to go to the library or even make summary for some e-book, they are complained. Just tiny students that has reading's heart or real their pastime. They just do what the teacher want, like asked to the library. They go to there but nothing reading significantly. Any students feel that reading is not important, boring as well as can't see colorful images on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Hidden (Dragonlands Book 1) can make you feel more interested to read.
