Etched in Sand

Regina Calcaterra

Etched in Sand Regina Calcaterra

Regina's Calcaterra memoir, *Etched in Sand*, is an inspiring and triumphant coming-of-age story of tenacity and hope.

Regina Calcaterra is a successful lawyer, New York State official, and activist. Her painful early life, however, was quite different. Regina and her four siblings survived an abusive and painful childhood only to find themselves faced with the challenges of the foster-care system and intermittent homelessness in the shadows of Manhattan and the Hamptons.

A true-life rags-to-riches story, *Etched in Sand* chronicles Regina's rising above her past, while fighting to keep her brother and three sisters together through it all.

Beautifully written, with heartbreaking honesty, *Etched in Sand* is an unforgettable reminder that regardless of social status, the American Dream is still within reach for those who have the desire and the determination to succeed.

From reader reviews:

Trevor Wright:

Book is to be different for each grade. Book for children right up until adult are different content. As we know that book is very important for us. The book Etched in Sand seemed to be making you to know about other understanding and of course you can take more information. It is extremely advantages for you. The book Etched in Sand is not only giving you much more new information but also to become your friend when you experience bored. You can spend your current spend time to read your book. Try to make relationship while using book Etched in Sand. You never sense lose out for everything should you read some books.

Linda Brown:

Now a day people that Living in the era wherever everything reachable by interact with the internet and the resources included can be true or not require people to be aware of each facts they get. How individuals to be smart in having any information nowadays? Of course the answer then is reading a book. Reading a book can help persons out of this uncertainty Information particularly this Etched in Sand book since this book offers you rich facts and knowledge. Of course the data in this book hundred per-cent guarantees there is no doubt in it everbody knows.

Ruth Brown:

Reading a e-book tends to be new life style in this era globalization. With looking at you can get a lot of information that can give you benefit in your life. Along with book everyone in this world could share their idea. Textbooks can also inspire a lot of people. Plenty of author can inspire all their reader with their story or their experience. Not only the storyplot that share in the guides. But also they write about the knowledge about something that you need case in point. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors on this planet always try to improve their ability in writing, they also doing some analysis before they write to their book. One of them is this Etched in Sand.

Shawn Mathison:

Why? Because this Etched in Sand is an unordinary book that the inside of the publication waiting for you to snap the idea but latter it will distress you with the secret the item inside. Reading this book beside it was fantastic author who also write the book in such incredible way makes the content interior easier to understand, entertaining means but still convey the meaning fully. So , it is good for you because of not hesitating having this ever again or you going to regret it. This unique book will give you a lot of positive aspects than the other book possess such as help improving your talent and your critical thinking approach. So , still want to hesitate having that book? If I were you I will go to the reserve store hurriedly.
