## **Ethical Ambition: Living a Life of Meaning and Worth** Derrick Bell

From the *New York Times* bestselling author Derrick Bell, a profound meditation on achieving success with integrity.

As one of the country's most influential law professors, Derrick Bell has spent a lifetime helping students struggling to maintain a sense of integrity in the face of an overwhelming pressure to succeed at any price. Frequently asked how he managed to be so extraordinarily successful while never giving up the fight for justice and equality, Bell decided to spend his seventieth year writing a book of insight and guidance. The result, *Ethical Ambition*, is a deeply affecting, uplifting, and brilliant series of meditations that not only challenges us to face some of the most difficult questions that life presents, but dares to offer some solutions.

Using incidents from his own life, Bell also looks to literature, history, and other contemporary figures who have refused to compromise their beliefs. In chapters that explore passion, faith courage, inspiration, humility, and relationships, *Ethical Ambition* address the most fundamental issues of life.
