A US Research vessel goes missing in the middle of the Atlantic ocean, not long after intercepting a series of mysterious radio broadcasts.

The United States Government responds by dispatching a special forces team by boat to go to the last known location of the research vessel.

The boat is attacked by an unknown fast-moving assailant and Roosevelt, one of the special forces team is knocked unconscious. He awakens in a Bathispher port next to wrecked Bathisphere with no idea how he got there.

Can he find out where he is and his way back?
