David L Hammer

The Game is Afoot: A Travel Guide to the England of Sherlock Holmes David L Hammer

In this, the first of his famous "Sherlockian travel books," Hammer guides the reader to canonical locations in England. He says, "This particular quest has taken this fortunate writer through many English counties and into homes, cottages and castles alike. It is a tribute to "our blessed Sherlock" that his name has been a sufficient talisman to cause strangers to open their doors and permit an aging devotee to trespass over their grounds and intrude upon their privacy. . . What follows (in the book) is an attempt to locate and identify the geographical verities of the Canon; a literary pilgrimage sufficient unto itself for any Holmesian, but yielding rather surprising results."
