**Affirming Diversity: The Sociopolitical Context of Multicultural Education, Fourth Edition** Sonia Nieto

In this revision of her best-selling text, author Sonia Nieto explores the meaning, necessity, and benefits of multicultural education for students of all backgrounds. The text looks at how personal, social, political, cultural, and educational factors affect the success or failure of students in today's classroom. Expanding upon the popular case-study approach, the fourth edition examines the lives of 18 real students who are affected by multicultural education, or a lack of it. Social justice is firmly embedded in this view of multicultural education, and teachers are encouraged to work for social change in their classrooms, schools, and communities.
