"A sassy, fun, quirky, cheeky, heartbreaking and heartwarming read about love that eventually finds its way. A definite must read!" - Bloggers From Down Under

"Sassy, emotional and relatable. With a hint of hotness and plenty of laughs. You won't want to stop once you start!" - My Persons Books

I wanted what she had, she had what I wanted. With her long blonde hair and her legs that never ended, she had him, but I wanted him.

We can't always have what we want, and sometimes that's the way life is meant to be. Sometimes destiny places other people in our path, a path that should not be mixed. But also sometimes, just sometimes, the paths cross, causing an explosive reaction.

Tanner was my crush. A crush that I've had since I first laid eyes on him. But now he's dating my friend... my beautiful, flawless and perfect friend.

Then out of nowhere, Kyrone bursts into my life, taking me over bit by bit. I don't know how to feel about that. I don't know what to do. He frustrates me. He annoys me. But most of all, he makes me smile.

Standalone Book with no Cliffhanger
