Fitting a Camper Van Interior is a definitive guide to modifying or upgrading a camper van interior at home. This book offers guidance and advice on how to maximise the interior space, style and functionality of any camper van model. The book breaks down each task down into step-by-step photography and instructions, from the initial design stages, right through to expanding the camper van with awnings and elevating roofs. With safety tips throughout, the book covers: Considerations when purchasing your camper van - classic or new model? How to assess an existing interior and determine what you need from your camper van. Designing and planning a camper van interior - ideas and suggestions to help decide what you need to include inside a camper van. Preparation - how to strip the inside of a camper van and prepare it for a new interior, including fitting insulation, sound proofing, rust protection, flooring and panelling. Seats and sleeping - how to make your own seats and fit them, restore a rock and roll bed and fit a hammock.
