Blood Lure: In Blood Lure, Anna returns to the West, where she is sent on a training assignment to study grizzly bears in Waterton/Glacier National Peace Park. But back in her beloved mountains, where the air is pure and cool, Anna fails to find the spiritual renewal she expected. Instead, nature seems to have become twisted, carrying a malevolence almost human in its focus. **Hunting Season:** When Anna answers a call to historic Mt. Locust, the last thing she expects to encounter is murder. But the man Anna finds in the stand's old bedroom is no tourist in distress. He's nearly naked, and very dead, his body bearing marks consistent with an S & M ritual gone awry. When hidden agendas and old allegiances are revealed, it's suddenly Anna's life on the line. **Flashback:** Running from a proposal of marriage from Sheriff Paul Davidson, Anna Pigeon takes a post as a temporary supervisory ranger on remote Garden Key in Dry Tortugas National Park. This island paradise served as a prison for the Lincoln conspirators during and after the Civil War. When a mysterious boat explosion - and the discovery of unidentifiable body parts - keeps her anchored to the present, Anna finds crimes of past and present closing in on her. A tangled web that was woven before she arrived begins to threaten her sanity and her life.
