Stories and Miracles of Our Lady of Good Success, Book Two Marian Therese Horvat

Book two: More details on Mother Mariana de Jesus Torres and the miraculous statue of Our Lady in Quito, Ecuador.

In response to the many requests from readers of her first book *Our Lady of Good Success: Prophecies for Our Times*, the author has provided more details about the manner in which Our Lady's statue was carved by the pious sculptor Francisco del Castillo and then completed by the Archangels Michael, Gabriel and Raphael.

This book includes several related stories, including that of the Marquesa Maria de Yolanda, who befriended the Convent with her generosity and who experienced a miraculous healing. It also tells about the devil's incitement of hostility between two families and how Mother Mariana was guided from heaven to drive the demons away and thus restore peace.

A chapter is devoted to the vision of the Child Jesus of the Cross on Pichincha Mountain who exhorted the sisters to "always be the heroines of your country during the bitter and dire times that will come."

Format: Paperback, 101 pp. Publication date: 2002
