When you have been down for a person so long it makes it hard for you to give love another shot with someone new...

Myla, aka Candice has been with her kids' father since high school. She had never even looked in the direction of another man until she met Donovan Jackson, the owner of the Gold Rush strip club. Being that her no good baby's father worked at McDonalds... Being a stripper had become her only option to help pay all of her bills.

Out of all the girls that Donovan Jackson aka Big Dee ran into at the club, he never fell in love with any of them because he knew many of them were up to no good... However... There was something different about Myla that he just couldn't put his finger on... He just had to have her at whatever cost.

Moniqua is Candice's best friend. She meets and falls in love with Donavan's right hand man Que. She and Candice have been friends for years and they have always been there for one another regardless of if it was right or wrong- they always held each other down. Moniqua makes a choice that not only is going to hurt her but put her relationship and friendship on the line.
