Home Is Where the Heart Is

Used to the finer things in life, heiress Melinda Spalding is thrown for a loop when her brother relocates to the Midwest. Her parents even expand their business to the small town and put her in charge of the project. Discovering she likes “Mayberry” and its quirky inhabitants is almost as shocking as her growing attraction to the local auto mechanic. But L.A. is where she belongs...or is home truly where the heart is?

Drew Porter learned early in life how treacherous women can be—and when snooty “Lindy” Spalding skids into his life and nearly makes roadkill out of his dog, she seems worse than most. An unlikely bond between their pets gives him an intriguing glimpse behind her pretentious exterior. While his heart wonders if there more to her than meets the eye, his head tells him to run as fast as he can in the opposite direction.
