Immortal Diamond: The Search for Our True Self Richard Rohr
Dissolve the distractions of ego to find our authentic selves in God

In his bestselling book *Falling Upward*, Richard Rohr talked about ego (or the False Self) and how it gets in the way of spiritual maturity. But if there's a False Self, is there also a True Self? What is it? How is it found? Why does it matter? And what does it have to do with the spiritual journey? This book likens True Self to a diamond, buried deep within us, formed under the intense pressure of our lives, that must be searched for, uncovered, separated from all the debris of ego that surrounds it. In a sense True Self must, like Jesus, be resurrected, and that process is not resuscitation but transformation.

- Shows how to navigate spiritually difficult terrain with clear vision and tools to uncover our True Selves
- Written by Father Richard Rohr, the bestselling author of *Falling Upward*
- Examines the fundamental issues of who we are and helps us on our path of spiritual maturity

Immortal Diamond (whose title is taken from a line in a Gerard Manley Hopkins poem) explores the deepest questions of identity, spirituality, and meaning in Richard Rohr's inimitable style.
