Why do evangelicals care so much about Israel? How did this special relationship develop? What has it produced? Certain understandings of Bible prophecy have profoundly shaped the way evangelicals and other Americans view Israel and the political policies that have supported the Jewish state.

Now in paperback, this major work on an ever timely theme is for anyone interested in American-Israeli relations, history, theology, and politics.

"Timothy Weber's important and timely book illuminates the end-times beliefs that shape millions of Americans' view of current events. Well-researched and historically grounded . . . This disturbing work deserves the widest possible readership."--Paul S. Boyer, author, *When Time Shall Be No More*
