Be Positive, No Matter What: My Journey Through Breast Cancer Karen J. Nolan

BE POSITIVE - NO MATTER WHAT I am writing this book in hopes that it will help you through this new journey that you will take. I know it's not one that you had planned but it's one that has been chosen for us. My name is Karen Nolan and I was diagnosed last August 2012 with breast cancer, and I am taking this journey too. In this book I will tell you about my thoughts and feelings, what I learn from all my caregivers as I got through each day. Then I will tell you about all my angel blessing stories. I consider myself broken as I began this journey. Now I stand proud to have been chosen. I have had many blessings and an encounter with an angel. I will tell you about her later in my book.
