Own Her (Warriors of Hades Book 3) Jenika Snow

Mekenna was born a slave to her human slave mother. With an owner that is also her father, she is looked down upon due to her bi-species genetics. But Mekenna keeps her strength, not letting her abuse or servitude control or shape who she is.

Hades brothers Vicktor, Savastian, and Phillip come from a species known for their brutal and violent nature. They fight to survive, and are victorious in all they challenge. They are warriors in nature and bloodline, and always will be, but now it's time for them to find a female to share.

When they find Mekenna they know she is the one that will be theirs. Her life has been one of degradation, but the brothers will show her that to them she their Queen, and anyone or anything that threatens her in any way will have to answer to the monsters they truly are.
