Step By Step: Volume 2: 4 Story Bundle (Steamy Step Taboo Romance) Ruby Nicks

This super steamy 4 story extended bundle of taboo step romance contains:

Step: Unprotected

Step: Exposed

Step: Forbidden

Step: Prohibited

Step: Unprotected

I told him it was wrong, but he just didn't listen.

He said, 'nothing's wrong if it feels this good.' He was an ass-hole like that. Head strong and assertive, used to getting his way. An alpha male. I guess that's why she treated him the way she did. I guess that's why I couldn't get enough of him.

I wanted it dangerous. I wanted it hard and deep and unprotected. I wouldn't have it any other way. I wasn't going to ask for it though, not with a pretty please. Not like that. I wanted George to take it. I wanted him to show me how he wanted me.

I knew it would make him desire me more.

In the end, we were both right. In the end, we couldn't hold back any longer.

Step: Exposed

No one knew my secret. No-one. And then I had to go and find him like that. Vulnerable. Exposed.

I knew it was wrong even then. Forbidden, taboo, call it what you like. These were words that were supposed to have meaning. They were supposed to make me stop. Anne-Marie was a girl that was never meant for me. She wasn't mine to take. My 18 year old step. Untouched, pure, strictly out of bounds. I've got some other words for you too. Words that went around in my head while she stood there and watched me. Too. Tempting. To. Resist. Is that really so bad?

No one knew my secret. No-one. And then I had to go and find him like that. Vulnerable. Exposed. By then it was already too late of course. I couldn't walk away could I? I couldn't just say no and pretend it didn't happen. He made it hard for me to forget. Impossible, that's what he called me. He made me want him. He made me tell him my secret. He made me take him, and I couldn't get enough. If forbidden tastes this good, I don't ever want to do anything right.

When Anne-Marie catches her step in a compromising position, the only thing he can do is punish her.

Step: Forbidden

Forbidden step Casey is strictly off limits!

18 year old Casey is a spoilt little brat. She knows what she wants and exactly how to get it, ESPECIALLY the things she knows she's not allowed.

She thinks she has the power to wrap everyone around her little finger, and that her new step Connor will be no different from the rest. She's seen the way the billionaire alpha already looks at her, and she can't wait to start reeling off her many outrageous demands.

Connor has a plan of his own, however, to teach precocious Casey who's really in charge. If she's going to continue to get what she wants, then there's something she's going to have to do for him too.

Forbidden step Casey may be strictly off limits, but Connor likes it hard, deep & unprotected, and he's just as used to getting his own way!

It's taboo, and it's probably wrong, but demanding Connor's not the kind of man to let his morals get in the way of his fun.

Step: Prohibited

What we want is forbidden, right? Taboo? What if we can't help but take it? After all, we can't choose the ones we love.

There isn't a manual for this. The way I feel, it's not normal. She's my step. She's out of bounds, I know that. I shouldn't think about her that way. The trouble is, I don't know how to stop. I don't know how much longer I can resist. I want her. I want her hard, deep and unprotected, and every night it's getting harder to keep myself away.

He thinks I don't know, but I do. I've seen the way he looks at me, the things he does. The things he wishes he could do. I wish it too, I just don't know how to tell him. I just don't know if I should. What we want is forbidden, right? Taboo? What if we can't help but take it? After all, we can't choose the ones we love.

When Sophia catches her step in a compromising position, it gives her the perfect opportunity to share a forbidden secret that's been tearing her up inside.
