## **Diana - The People's Princess - A Commemorative Tribute** Nicholas Owen

On 31 August 1997, the world was stunned by the tragic death of the most popular and photographed woman of the modern age: Diana, Princess of Wales. The outpouring of public grief at this tragically early death was unprecedented in modern times. Now, 10 years on, "Diana: The People's Princess" celebrates both her life and her legacy. A dignified and unexploitative celebration of Diana's life, from Britain's foremost newsgathering organization ITN, "Diana: The People's Princess" commemorates this remarkable woman's life from her childhood to her tragic premature death at the age of 36. With authoritative text and a vast array of photographs, this updated edition includes new material on the aftermath of her death, including controversy over the Memorial Fountain, the enquiry into her death, the achievements of the Memorial Fund and above all, her legacy as a mother - Princes William and Harry and their involvement in perpetuating and protecting her memory. "Diana: The People's Princess" is a respectful, sensitive and poignant tribute to this elegant, charming and sympathetic symbol of our times.
