The *Pasajes* series is one of the most widely used and highly respected programs for intermediate Spanish courses in North America. As in previous editions, the seventh edition of *Pasajes* consists of three volumes, all coordinated by theme, chapter by chapter: a review of grammar (*Lengua*), a cultural reader (*Cultura*), and a literary reader (*Literatura*). The result is a very flexible program that can be used in any combination and thus is easily adapted to suit the needs of a wide variety of instructors and intermediate courses. The new edition offers a new film feature in *Lengua* with pre- and post-viewing questions and an accompanying image. In addition, *Literatura* and *Cultura* each have three new or revised readings. All three volumes have a modified interior design, as well as updated and revised activities and photos.
