My Journey As A Realtor Pat Morrell-Donnelly

This is a book about the life and experiences of Pat Morrell as a Realtor, and a real estate broker. On her long journey she spent over fifty one years in the real estate industry as an active agent. She traveled through many valleys and over many mountains, experiencing challenges, losses, and trying times. It required faith, determination, and persistence. There were constant, new experiences, and changes in the "market", and the paper work requirements. The book includes articles and poems Pat wrote that were published over the years in the Real Toro, Real Estate Guide, and SACBOR by her real estate board. Some of the articles are "motivational", and some are about the lives of realtors, including President's of her Board of Realtors. Her book, "So You Want To Sell Real Estate" was started over thirty years ago, and never completed. Because of other obligations, and life's challenges, it was filed away until just recently. Those pages are included in her book, as well as other miscellaneous, inspirational, motivational, and thought provoking articles and poems. The "survivor's" can take a trip down "memory lane", journeying" back through the years.
