This widely-acclaimed approach developed by the late Dr. Arnold P. Goldstein and colleagues is now in a larger format with reproducible skill outlines, skill homework reports, and program forms. Now includes forms CD. Skillstreaming the Elementary School Child employs a four-part training approach: modeling, role-playing, performance feedback, and generalization, to teach essential prosocial skills to elementary school students. This book provides a complete description of the Skillstreaming program, with instructions for teaching 60 prosocial skills. Chapters on effective Skillstreaming arrangements, Skillstreaming teaching procedures, refining skill use, teaching for skill generalization, managing behavior problems, Skillstreaming in the school context, and more. Skill outlines are handy one-page summaries for each skill, including skill steps, guidelines for skill instruction, and suggested situations for modeling displays. Homework reports list skill steps and guide students in practicing the skills and evaluating skill use outside the Skillstreaming group.
