## Caribbean Migration: Globalized Identities

This anthology represents important and original directions in the study of Caribbean migration. It takes a comparative perspective on the Caribbean people's migratory experiences to North America, Europe, and within the Caribbean. Using a multi-disciplinary approach, the book discusses:

- \* the causes of migration
- \* the experiences of migrants
- \* the historical, cultural and political processes
- \* issues of gender and imperialism
- \* the methodology of migration studies, including oral history.
