Day of Wrath Larry Bond

Prince Ibrahim al Saud is a member of the Saudi royal family and a brilliant international businessman with a personal fortune worth billions of dollars. He is also the world's most dangerous terrorist, having purchased nuclear weapons from Russia's corrupt military.

Only two people stand in his way: U.S. Army Colonel Peter Thorn and FBI Special Agent Helen Gray.

Following a trail that leads from the former Soviet Union, across Europe, and finally to America, the two find themselves hunted by the very people they're trying to protect...and time is running out.
