Grace: A Novel Richard Paul Evans

A heartwarming and inspirational Christmas novel in the tradition of *The Christmas Box*, *The Gift*, and *The Christmas List*. The *New York Times* bestselling author of *The Christmas Box* and The Walk series returns with a holiday novel of hope, love, and redemption.

She was my first kiss. My first love. She was a little match girl who could see the future in the flame of a candle. She was a runaway who taught me more about life than anyone has before or since. And when she was gone my innocence left with her.

As I begin to write, a part of me feels as if I am awakening something best left dead and buried, or at least buried. We can bury the past, but it never really dies. The experience of that winter has grown on my soul like ivy climbing the outside of a home, growing until it begins to tear and tug at the brick and mortar.

I pray I can still get the story right. My memory, like my eyesight, has waned with age. Still, there are things that become clearer to me as I grow older. This much I know: too many things were kept secret in those days. Things that never should have been hidden. And things that should have.
